Background

The TAMWG affords stakeholders the opportunity to give policy, management, and technical input concerning Trinity River (California) restoration efforts to the Trinity Management Council (TMC). The TMC interprets and recommends policy, coordinates and reviews management actions, and provides organizational budget oversight. A workshop will be held to build a common understanding among TRRP policy makers (TMC), stake holders (TAMWG), and staff about what has been learned over the past 10 years of the Program's Implementation and how that information will influence future management and restoration actions. The genera agenda items for this workshop are listed below.

Meeting Agenda

- Review of the ROD,
- SAB review and recommendations,
- Evolution of channel rehabilitation strategy, and
- Public Comment.

The final draft agenda will be posted on the Internet at <http://www.fws.gov/arcata> when

available.
